On 2nd of October 1953, the N.E.S. Programme was launched generally in areas where the R.W. Scheme was previously in operation. Prior to the launching of the N.E.S, the R.W. Scheme was in operation in certain firkas of the South Kanara dist including Mulki firka. The Mulki firka was however not included under the N.E.S as it was already located in South Kanara Community Project Area. Certain works and Schemes were in progress in the Mulki firka at the time the Rural Welfare Scheme was merged with the N.E.S on 2.10.53. As the Rural Welfare Scheme ceased to function after this date, with a view, to provide alternative arrangements for carrying on the following works and Schemes (in progress) it has

been proposed that their continuance may be transferred to the S.K. Projects for financing from C.P. funds and the C.P.A has been addressed in the matter for their concurrence.

Village communications Rs 4000/-
Rural water Supply Rs 4000/-
Lumpsum grants Rs 1000/-
Pay, DA; T.A and other charges of party staff Rs 1000/-
Rs 10,000/-.

Pending a decision in the matter, sanction is accorded to an expre not exceeding Rs 10,000/- (Rupees Ten thousand only) in connection with the continuance of the above works and Schemes as detailed (in Mulky Firka) above. The action of the Collr. of Sarkarkanam in having incurred the expre. so far as on village communications, Rural water Supply and lumpsum grants in anticipation of Govt. sanction is approved.

2. The expre. may be debited to "suspence" head under "63. B. Community Development Projects".

Please see the d.o. letter from the Coll. of South Kanara in the ref. The Coll. requests sanction for the following [works and schemes in Mulki Firka] for the amounts noted against each ordered to be completed even after the cessation of the N.E.S. welfare scheme:

Village Communication	Rs 4000/-
Rural water Supply	Rs 4000/-
Lumpsum grants	Rs 1000/-
Pay, D.A. and T.A. and other charges of the poultry Staff	Rs 1000/-
	Rs 10,000

The Coll. has however ordered for 'meeting the [above] expenditure in anticipation of Sanction.

It is submitted that on 2nd Oct. 53, the N.E.S. Programme was launched generally in areas where the R.W. Scheme was previously in operation. Prior to the N.E.S. Scheme, the R.W. Scheme was in operation.

in certain pockets of the South Kanara dist., including Mulki pockets in question. The Mulki pocket was not included in under the N.E.S as it was already located in the Sankarpura Community Project Area. Certain works and Schemes were in progress in the Mulki Pockets at the time of R.W. Scheme ~~ceased~~ was merged with the N.E.S on 2.10.53. As the R.W. Scheme ceased to function the question of making alternative arrangements for carrying on the works in progress in execution in Mulki pockets, mentioned overleaf, has now arisen for consideration. In DI (Section), it is proposed that the completion of the above work and also the continuance of the Poultry farm mentioned overleaf may be transferred to the Sankarpura Projects for financing from C.P. funds and the C.A.'s have since been addressed in the matter for concurrence. Till a decision is taken in the matter, the expenditure in question may be sanctioned and the action of the collr may be approved ~~and the~~ ordering that the expenditure may be debited to suspense head. Subject to orders a draft order is subd. ~~for may be sent to Finance~~ for approval. The file may be sent to Finance
